# Monthly Newsletter

**A community united by faith in God and love to the neighbor**

---

Dear Friends,

The special thing about firsts is that they only happen once. We will celebrate our first Easter morning together this first Sunday of April. I am delighted to watch the first purple crocuses pop up in front of the parsonage. And I am so curious what my new home is to become as the trees begin to fill in with leaves and this precious town becomes clothed with springtime. I have a suspicion that my first spring in Fryeburg will be full of surprises and I look forward to watching the transformation of this incredible spot in the world for the first time!

This is the season of new life, and as a church we will celebrate the resurrection throughout the month of April. We will explore together the ramifications of eternal life.

How does knowing that life continues forever effect how we shall live right now?

As we come out of the hibernation of winter and begin to look towards the adventures and plans of summer the call for us will be to stay present to the now of spring. Can we be present to the new buds? The rainy days and the breaks of sunshine? The fluctuating warmth and cold?

While serving our sister church in Wilmington, DE, I came to a much deeper appreciation of springtime. In the Mid-Atlantic spring lasts about 2 days. The climate shifts from winter to summer in a flash of light and if you aren't paying close attention you miss it. I am excited to be back in Maine where spring has a little more time to unfold. Some see this as a negative, mocking spring in Maine as mud-season, but I will choose this year to see the slow unfolding as a blessing. What a gift to be able to watch the earth come alive.

And perhaps we to will be enlivened? Maybe not quickly, or over night, but over time?

May our joy and new life unfold over this, our first, spring season together.

Many blessings my friends!

## *Baptism Sunday*

It is of special historical significance that on one Sunday in 1945, Rev. William Rice baptized 37 babies at the Fryeburg New Church! Inspired by this lovely event, captured in picture in Q Jerusalem: The History of of the New Church in Fryeburg written by Ola-Mae Wheaton and Margaret Briggs, Rev. Sage has begun plans for a Baptism Sunday sometime this Spring/Summer.

Several members and friends of the church have already mentioned to Rev. Sage that either they themselves, or their children, just never got around to being baptized. This is the time!

The sacrament of Baptism in the New Church can be performed at any age. In the waters of baptism, a child or adult's life is dedicated to God, and the sacrament signifies the intention of living the spiritual life, to be born anew in the spirit. In the New Church we baptize persons into the Universal Christian Church, not into a particular community. This way, after baptism, persons may then follow their spiritual path where it may lead and come into fellowship with the church community that they then choose.

Please speak with Rev. Sage if you or someone you know would like to participate in Baptism Sunday!
