## GIVING TO THE CHURCH

Ongoing General support is needed for everything from paying the Church staff's salaries to keeping the lights on at the church to buying music for our choir. We depend on donations from our congregation to help off-set all of our expenses.

Donations may be made by check mailed to FNC, 12 Oxford Street, Fryeburg, ME 04037, or by donating through PayPal,

<https://fryeburgnewchurch.org/giving>

PayPal is an online financial service that allows you to pay for items using a secure internet account. You simply choose the bank account, credit card or debit card that you want to use when making a donation.

The Trustees chose PayPal because of its name-brand recognition and its excellent reputation for security. Plus, you don't have to have an account with PayPal; you can use it as a guest.

**Donations in any amount are always welcomed and very much appreciated.**

Thank you for your support!

“That which God said to the rose, and  
caused it to laugh in full-blown beauty,  
He said to my heart, and made it a  
hundred times more beautiful.”

~ Rumi

## Reawaken Your Intuition ~ Why Humans Lost Their Instincts: Life After Death

Off The Left Eye is a part of the Swedenborg Foundation. Through a variety of media, we dig into Emanuel Swedenborg's writings to learn more about the spiritual backdrop of this life we're living, and then bring you those insights in entertaining, informative, and inspiring ways.

*"Animals are born with amazing instincts, while humans are born knowing nothing. Why? Curtis digs into Swedenborg's writings for insights about this, and what the human instinct is supposed to be."*

-Off the Left Eye, YouTube

## Watch on YouTube:

Off The Left Eye looks at life and death through the uplifting perspectives provided by eighteenth-century scientist and spiritual teacher, Emanuel Swedenborg. They explore topics from Swedenborg's writings and discuss how they relate to modern-day spiritual growth seekers. They cover the afterlife, angels and spirits, near-death experiences, God, spirituality, and more, and try to balance these faith-based topics with evidence-based research from subject experts.
