GIVING TO THE CHURCH

Ongoing General support is needed for everything from paying the Church staff's salaries to keeping the lights on at the church to buying music for our choir. We depend on donations from our congregation to help off-set all of our expenses.

Donations may be made by check mailed to FNC, 12 Oxford Street, Fryeburg, ME 04037, or by donating through PayPal,

<https://fryeburgnewchurch.org/giving>

PayPal is an online financial service that allows you to pay for items using a secure internet account. You simply choose the bank account, credit card or debit card that you want to use when making a donation.

The Trustees chose PayPal because of its name-brand recognition and its excellent reputation for security. Plus, you don't have to have an account with PayPal; you can use it as a guest.

Donations in any amount are always welcomed and very much appreciated.

Thank you for your support!

“Imagine that the universe is a great spinning engine. You want to stay near the core of the thing - right in the hub of the wheel - not out at the edges where all the wild whirling takes place, where you can get frayed and crazy. The hub of calmness - that's your heart. That's where God lives within you. So, stop looking for answers in the world. Just keep coming back to that center and you'll always find peace.”

How Ancient People Talked to Angels: Life After Death

Off The Left Eye is a part of the Swedenborg Foundation. Through a variety of media, we dig into Emanuel Swedenborg's writings to learn more about the spiritual backdrop of this life we're living, and then bring you those insights in entertaining, informative, and inspiring ways.

"Talking with angels requires connecting with thoughts that angels engage in. Curtis explores "correspondences" - sacred symbolism that can forge that connection."

-Off the Left Eye, YouTube

Watch on YouTube:

Off The Left Eye looks at life and death through the uplifting perspectives provided by eighteenth-century scientist and spiritual teacher, Emanuel Swedenborg. They explore topics from Swedenborg's writings and discuss how they relate to modern-day spiritual growth seekers. They cover the afterlife, angels and spirits, near-death experiences, God, spirituality, and more, and try to balance these faith-based topics with evidence-based research from subject experts.
