GIVING TO THE CHURCH

Ongoing General support is needed for everything from paying the Church staff's salaries to keeping the lights on at the church to buying music for our choir. We depend on donations from our congregation to help off-set all of our expenses.

Donations may be made by check mailed to FNC, 12 Oxford Street, Fryeburg, ME 04037, or by donating through PayPal,

<https://fryeburgnewchurch.org/giving>

PayPal is an online financial service that allows you to pay for items using a secure internet account. You simply choose the bank account, credit card or debit card that you want to use when making a donation.

The Trustees chose PayPal because of its name-brand recognition and its excellent reputation for security. Plus, you don't have to have an account with PayPal; you can use it as a guest.

Donations in any amount are always welcomed and very much appreciated.

Thank you for your support!

Does My Life Matter? - Swedenborg and Life

Off The Left Eye is a part of the Swedenborg Foundation. Through a variety of media, we dig into Emanuel Swedenborg's writings to learn more about the spiritual backdrop of this life we're living, and then bring you those insights in entertaining, informative, and inspiring ways.

"Whether you know it or not, your life is essential—in both mundane and momentous ways. Let's explore some of the hidden contributions we have to offer our spiritual and physical realities. In this episode, host Curtis Childs and featured guests explore eighteenth-century scientist and mystic Emanuel Swedenborg's spiritual writings about the universal human and the nature of heaven to see how we can use these concepts to see the value and usefulness of our own lives. "

-Off the Left Eye, YouTube

Watch on YouTube:

Off The Left Eye looks at life and death through the uplifting perspectives provided by eighteenth-century scientist and spiritual teacher, Emanuel Swedenborg. They explore topics from Swedenborg's writings and discuss how they relate to modern-day spiritual growth seekers. They cover the afterlife, angels and spirits, near-death experiences, God, spirituality, and more, and try to balance these faith-based topics with evidence-based research from subject experts.
