GIVING TO THE CHURCH

Ongoing General support is needed for everything from paying the Church staff's salaries to keeping the lights on at the church to buying music for our choir. We depend on donations from our congregation to help offset all of our expenses.

Donations may be made by check mailed to FNC, 12 Oxford Street, Fryeburg, ME 04037, or by donating through PayPal,

<https://fryeburgnewchurch.org/giving>

PayPal is an online financial service that allows you to pay for items using a secure internet account. You simply choose the bank account, credit card or debit card that you want to use when making a donation. The Trustees chose PayPal because of its name-brand recognition and its excellent reputation for security. Plus, you don't have to have an account with PayPal; you can use it as a guest.

Donations in any amount are always welcomed and very much appreciated.

Thank you for your support!

“There is a sweetness to the month of October and season fall in general that brings our attention homeward and inward. Could it be the trees going to sleep, cool dry temperatures that delight our morning or daylight hours slipping away causing our focus to converge on how short and fragile life really is. All these things conspire to usher in a season of reflection on relationships and the things that give our lives meaning. What a great loss to our human experience should we ignore or squander this the autumn of our lives. Embrace it, feel it, study it, it is indeed one of God’s great gifts to us.”

~ Michael Marcel, Sr.

You'll Never Feel Lonely In Heaven: Life After Death

Off The Left Eye is a part of the Swedenborg Foundation. Through a variety of media, we dig into Emanuel Swedenborg's writings to learn more about the spiritual backdrop of this life we're living, and then bring you those insights in entertaining, informative, and inspiring ways.

"In this world, we may sometimes struggle to find community and a sense of belonging. But that will not be a problem in the afterlife!

-Off the Left Eye, YouTube

Watch on YouTube:

Off The Left Eye looks at life and death through the uplifting perspectives provided by eighteenth-century scientist and spiritual teacher, Emanuel Swedenborg. They explore topics from Swedenborg's writings and discuss how they relate to modern-day spiritual growth seekers. They cover the afterlife, angels and spirits, near-death experiences, God, spirituality, and more, and try to balance these faith-based topics with evidence-based research from subject experts.
